TSX.V: IES

INTERCEPT ENERGY ANNOUNCES THE RESIGNATION OF ITS CEO

May 1, 2015 - EDMONTON, ALBERTA--- **INTERCEPT ENERGY SERVICES INC.** ("Intercept" or the "Company") - (TSX-V: IES / OTC:BB – IESCF), The Company announced that Mr. Randy Hayward has resigned in his capacity as Chairman of the Board, CEO and as a Director of the Company for personal reasons and will continue to assist the Management of the Company as a Consultant.

Herbert Towning, Director, said: "I along with my fellow Board Members thank Randy for his years of contribution to Intercept and wish him all the very best for the future. Randy has agreed to continue and assist the Management and the Board as a Consultant on a go forward basis. The Board believes that with the recent acquisition of 640Energy, now is the right time to take steps to accelerate Intercept's growth, improve performance, and sharpen our focus on operational excellence."

About Intercept Energy Services Inc. ("IES")

Intercept Energy Services Inc. ("IES") (TSX Venture: IES, OTCBB: IESCF) is a North American Oil Field Service Firm that specializes in employing, developing and marketing efficient, innovative and proprietary technologies. Technologies such as its HE Heat™, provide the highest efficiency frac water heating services; that are used in oil and gas exploration and by production companies for the fracturing process throughout North America. HE Heat™ reduces fuel consumption and emissions, enhances safety and productivity, enables extreme cold weather operations; and results in significantly lower costs resulting in both a cost savings and competitive advantage for its customers.
