GLOBAL GREEN MATRIX COMPLETES SECOND TRANCHE OF CONVERTIBLE DEBENTURE

April 17, 2013 - Global Green Matrix Corporation ("Global Green" or the "Company") – TSX Venture: GGX – announces that it has, subject to TSX - Venture Exchange final approval, completed the second tranche of its Convertible Debenture previously announced on March 7, 2013 for the gross amount of \$200,000. The Debentures will bear interest at a rate of 12.00% per annum, payable semi-annually from the Closing Date and will also contain an overriding royalty of 2.00% per annum on the gross revenue earned by the New Units, payable semi-annually from the Closing Date. The debentures may be converted into common shares of the Company at a price of: \$0.50 for the first twelve months; \$1.00 for the second twelve months; and \$1.50 after the first twenty-four months commencing on the closing date on option of the holder.

The total for the Debentures for both tranches is \$445,000. A finder's fee of \$20,000 cash may be paid on receipt of TSX-V approval.

The Company is also proposing to complete a further private placement of convertible debentures for additional gross proceeds of \$2,500,000 with the same terms and conditions as stated above. Closing of the placement will be subject to approval by the TSX - Venture Exchange.

Use of Proceeds: The net proceeds (net of commissions and offering expenses) will be used to finance 3 new truck units. Estimated cost of \$2.1 million; \$300,000 to be held in escrow for first 12 month interest; the balance to be used for working capital.

The Company further announces that pursuant to the Company's Stock Option Plan it wishes to grant up to 7 million stock options at a price of \$0.10 per common share to employees, directors, advisors and consultants of the Company. As per the Company's Stock Option Plan, the options granted will be exercisable until April 17, 2018. Grant of the options is subject to the approval of the TSX Venture Exchange.

About Global Green Matrix Corp.

www.globalgreenmatrix.com) Global Green Matrix Corp is an Oilfield Services Firm primarily focused on servicing oil and gas companies and their fracking operations. Through its wholly owned subsidiary, Intercept Rentals, the Company currently owns and operates one truck and one trailer mounted water heating unit, called "Big Heat." Global Green rents these units to various oil and gas companies that require heated water for their fracking operations. The companies heating units have the ability to heat water on a continuous flow basis.
